Powerful little laptop speaker.

Small in size, big on sound, the Orbit USB gives your laptop the speaker it's always deserved. Powered by your USB port, the ultra-portable Orbit unleashes your sound wherever it's needed. With audio alignment technology the Orbit dishes out astonishing volume, clarity and depth. Built to survive, this tough little speaker can travel the distance. When finished, the Orbit winds tight with space designed to tuck away the integrated USB cable. Beautifully simple, this no-frills speaker lets your laptop finally do the talking.

ALTEC LANSING®

orbitUSB™

USB speaker, ultimate sidekick
for laptops and netbooks

Boost your laptop's sound to the level it deserves with the new portable Orbit USB speaker. No power outlet or batteries, just plug and play. This tiny speaker throws out 360° of magnificent sound.

Audio Alignment
Perfectly balanced components ensure ultimate sound.

Incredible digital clarity
From the source to the speaker, sound stays digitally wired through the USB connection. No fuzz, no muffle, just quality audio.

360-degree sound field
Push astonishing sound in all directions.

USB powered
No batteries or AC cord, just plug and play.

USB cord storage
Free from tangle, just wind up the 16" / 40 cm cord and go.

Tough design
Aluminum and composite construction, it can handle knocks.

LED power indicator

Stand
Retractable stand lets you aim the sound in any direction.
